Go Red Goes North for YOUR heart!

Did you know that cardiovascular disease is the No. 1 killer of all Americans... men and women! Every year 400,000 women die of cardiovascular disease. The American Heart Association is out to reduce that number! The Go Red For Women campaign focuses on educating women on their risk factors for heart disease and stroke. The Go Red Goes North Health & Wellness Expo will offer free health screenings, heart healthy snacks, a wonderful keynote speaker and much more! Please plan to join us! The event is free and open to the public.
