

Will you help us help the children of Miami County with needed school supplies?

We are having **Christmas in July** and taking donations of school supplies. We will send all supplies donated to one of the local Miami County Schools to be used for children in need.

Donations are easy, just bring your items to the office and place them under our Christmas Tree.

Monetary donations are also welcome. Just let the receptionist know, and we'll be happy to pick up the supplies for you. When you bring us a donation we will enter your name into a drawing for a gift certificate for La Comedia to Thank You for your help.

Thank You...

for voting us the #1 Dental Office in Miami County for the 2010 Readers Choice from Piqua Daily Call and Troy Daily News!

As a thank you, we have begun offering Otis Spunkmeyer Cookies when our patients are in our office for their dental appointment.

Annual Troy Independence Day Parade

Some of our staff helped participants with the annual Troy Independence Day Parade on July 4th. It took place around downtown Troy and was a great celebration of our Freedom! It was open to everyone who wanted to celebrate the birth of our nation as well as support our men and women who are protecting our freedoms, and the Veterans who have fought to protect our freedoms.

Watch for us at National Night Out Tuesday August 3rd to take place at the Troy Municipal Park across from Hobart Arena.

Last year we participated and helped to pass out corn from Fulton Farm and had a great time! This year we are also going to be passing out Fulton Farm corn as well as working at the raffle ticket area. There are great prizes attendees can win; some of these great prizes include airline tickets to anywhere in the continental USA and a grill!
